–Qld State Titles**

QWA State Titles featuring age based classes.

Sat March 20 9am QWA State Championships Heats
Sun March 21 10am QWA State Championships Finals

Gold Coast Marine Stadium on the end of The Spit at Southport has been dredged out and is being cleared out for our private use for the weekend. We will have this entire area buoyed off and boat entry to the Marine Stadium will be banned unless the boat pays to enter as a spectator boat. All the media have been revved up and will be running plenty of hoo haa on the weekend guarantying the crowds. This will be a corker of a venue.

While the world's best wakeboarders will be hitting the Gold Coast for the Queensland State Titles behind the magnificent Malibu VLX. 2009 proved that Queensland is the home of the best wakeboarders in the world, with Queenslanders dominating every level of World competition. Brisbane boarder Harley Clifford won wakeboarding's premium event, the US Pro-tour. Queenslanders Mitch Langfeld, Bradley Teunissen and Cobe France won Junior Men's, Boys and Junior Boys division at the 2009 worlds dominating the number one spot of every age group.

Don't miss your opportunity to compete with our past and present World Champions at our on the beaches of the Broadwater. Competition will be hot in both the men's and women's age classes with competitors coming from all over Queensland to battle for their place on the Queensland team for the 2010 Nations, to be held in Renmark, South Australia, later in March. Lock in these dates as your weekend on the Goldy.

Aussie Pro riders Jarred and Mitch Askew, Dylan Prideaux, Reece Martinez and more will join our world champs busting out the biggest and most technical tricks you will ever see behind the awesome Malibu VLX wakeboard boat.

Saturday from 9am will see all 2 rounds for all competitors battling in the heats. Sunday from 10am we will have the age group finals in the morning, mixed up with awesome demonstrations from past members of the Sea World Ski Team, finishing with our Pros on the water just after lunch. You can find the Queensland Wakeboard Association State Titles at the Gold Coast Marine Stadium, just past Sea World, on the Spit at Southport.

Full details on the QWA website : www.wakeboardqld.com

SAFETY NOTICE – All riders life vests will be checked to ensure they are Australian Approved PDF3 as a minimum. Your Jackets needs to have one of these logos on the inside.

QWA Event 5 – Lake Joyda.

The last our QWA events was a cracker with our biggest class attracting 4 new riders giving us 9 in our Weekender Class. This is a great showcase of our future riders and example that everyone can enter in our events. 4 year old Bailey won the Youngest rider award. (he should be safe with this one for a while. Mia Armstrong took out the best butter slide, Jaz France won the best fashion ride, Nick Kurnert pumped out the best Wakesurf with his first ever event, Natasha Hollindale busted our the best wake jump with another new rider Ella Armstrong talking the best Switch riding award. Beau Blake landed his first podium with a 2nd equal with Alana Swift and Lachlan Swift in first with some awesome riding just missing his 2 wake 180.

Beau

Ella

Alana

Natasha

Lachlan

In the Straight Air class we had Simon (3rd) nearly landed a perfect backroll (that would have seen him shunted up to the next class) and Leila Barnsley (2nd) back from pushbike induced injury busting out massive 180s and grabs, and Qlds best Junior Boy Josh Swift (1st) nearly landing his first 360 in a comp.

Leila

Simon

Josh

The Intermediate class had ended up with Tony France with 1 back roll and nearly landing his signature wrapped 540 in 1st followed by Charlie Deutze in 2nd and international rider Yokochin Yuki in 3rd. Come on Queenslanders- how can an old guy with 1 invert win the 3 invert class?

Yokochin, Charlie, Tony

Yokochin and Hiro's fan club fresh from a BoardM week at Somerset

Professional Japanese rider Hiro on the water

Semi Advanced saw Daniel Johns take his first win over Corey Turnbull followed closely by Cobe France. Semi Pro had Cory Teunissen stomping another awesome run just taking 1st off Japanese pro Hiro Aoki in 2nd. If you have the chance to watch Hiro ride –do it. Grabbing and tweaking every spin and invert, this guy has a sick style.

Dylan and Reece have landed heaps of new tricks in the last few weeks but had some falls in their runs leaving Dylan in 3rd.

With Harley off riding with Rusty, Bob Soven and the rest of the Body Glove crew shooting a new movie at Somerset, Bradley stood up his pass to take first over Mitch Askew in the Pros division.

Upcoming Events

The QWAs Boat sponsor **Queensland Malibu** is about to release the **2010** range in a great night of boats and fun – if you are interested in grabbing an invite give the guys at Queensland Malibu a call.
