Other info Bonney's

Bonney's WA Water Ski Park has developed since 1985. The owner and builder Frank Bonney's vision was to provide Western Australian skiers a clean safe & friendly water skiing environment.

Today the Park caters to the needs of recreational and social skiers through to the requirements of World Class skiers in Slalom, Trick, Jump, Barefoot and Disabled skiing. The Ski Park is located 30 minutes south of Perth by road. The park is on 150 acres of land and the 5 manmade freshwater lakes cover 110 acres.

All lakes are sheltered from the wind by tree rows and the engineered lake edges ensure the boats wake is extinguished saying goodbye to backwash.

During summer the park attracts in excess of 500 skiers and visitors per week. The tranquil lakeside settings are complimented with gas BBQ's, ablution facilities including hot showers.

Skiers Cafe` is open seven days a week for a bite to eat or a cuppa.

Accommodation is available in our lakeside Chalet which is fully equipped and sleeps 8 or our Cabins with use of our camp kitchen. Also available are Motorhome and Caravan sites.
